Crocker Mansion Estate LLC
Mr. Ilija Pavlovic

Dear Mr. Pavlovic,

Thank you for the great opportunity to be part of the revival of Crocker Mansion.

Being involved in furnishing some of the most significant palaces in Europe, we enjoyed participating in decorating the most unique home in the U.S.

The results of the renovation are really spectacular and we are very proud that our furniture and our design helped in the rebirth of Crocker Mansion.

We look forward to working with you in the future.

Best regards,

Cav. Francesco Molon
